Fraud Alert – Misuse of Our Brand for Fake Tower Installation Offers

At Tata Communications, we maintain a strict policy that all infrastructure deployments, are executed directly through our official channels and authorised representatives only. We would like to categorically state that we do not authorise any third party to offer telecom tower installation services on our behalf.

It has come to our attention that certain individuals are falsely impersonating our employees/authorised signatory and attempting to defraud the public by offering telecom tower installations on their land parcels or residential properties. These fraudsters present fake documents and agreements to the public at large and have gone so far as to create two deceptive websites—tatatower.org and tatatower.com—which unlawfully use our name/brand name, logo, stamp and other intellectual properties to mislead unsuspecting public.

We clarify that these websites are not affiliated with our organisation in any way. Any agreements or documents issued through these platforms are entirely fake and no payments should be paid, or personal details should be shared with any individuals or platforms claiming to act on our behalf without official verification. Tata Communications disclaims any liability whatsoever for any unauthorized and fraudulent actions carried out by such individuals.

We are taking necessary legal action against these entities and urge the public to exercise caution and not engage with them under any circumstances. If you are approached by such offers, please report the incident immediately to local authorities/police authorities.

Stay alert. Stay informed. Stay protected.

Please note:

1. Tata Communications does not own or operate any telecom towers.
2. The websites mentioned above are not affiliated with us in any manner.
